

First held in Glen Cove, NY in 1986, these conferences bring together choir members and conductors of all levels of experience and ability to explore the wealth and beauty of Russian Orthodox church music. Participants gain practical and theoretical knowledge and experience through lectures, workshops and rehearsals which culminate in festive pontifical services. Further, participants have the opportunity to exchange ideas, get to know like-minded people and expand their liturgical repertoire.

We are especially grateful for support from the following contributors:

Fund for Assistance to the Russian Orthodox Church Outside of Russia
Alexis and Ekaterina Lukianov

Since 1988...

In assistance to the educational needs of conductors, singers & musicians of the Church.
